

# Formatech 20mm

*External 20mm / Porcelain Concrete*

Floor: DXFMT 03 Cast & DXMFT 01 Cast Grip

11 Colours / 1 Finish / 2 Sizes

Designed with Gensler and manufactured by Florim, Formatech 20mm draws inspiration from the texture and materiality of plaster and concrete, translating their character into high-performance outdoor porcelain. Produced as a Carbon Zero range, the 20mm material contains 60% pre-consumer recycled content and combines exceptional durability, slip resistance and technical performance for external applications.
