

# Verso Slim

*Lightweight Slabs / Porcelain Stone*

Floor: DLVES 02 Vein Cut Natural

**6** Colours / **3** Finishes / **1** Size

Verso Slim is inspired by travertine, a sedimentary rock formed from sediments settled in thermal waters and waterfalls. This lightweight porcelain slab range consists of Vein Cut, where you can see the layers of sediment— and Cross Cut, which shows the cross-section of the sediment layers' veins cut along the grain.
